Subject: RE: FRA AG Park/Sampling complete

Hi David,

Yes, please submit a letter to EPA and DTSC with the results, since the two agencies are coordinating the work jointly. EPA doesn't have a standard format you need to follow for this submittal.

Thanks,
Sara

Subject: FRA AG Park/Sampling complete

Sara – We finished sampling yesterday at the FRA AG Park site. We collected approximately 175 samples for analysis, including duplicate QA/QC samples.

We plan on taking the data and putting it into one spreadsheet, so it can be easily compared to the cleanup goal.

Maryam asked that I check with to see if you want a letter report summarizing the sampling work and presenting the data table and laboratory reports?

Thanks,

David Lennon
